

A27 East of Lewes Update

18 December 2020

A weekly bulletin with news and progress

Berwick roundabout improvements starting in the New Year

From Monday 18 January Station Road will be closed between Common Lane and the A27 junction. The diversion will be along Common Lane. Access to Pound Lane from the A27 will be for residents only. Access to Old Leylands Barn will be from the northern end of Station Road.

From Monday 25 January the A27 at Berwick will be closed for night works. We will be removing the existing roundabout and islands. Traffic management will be in place for eight nights from 8.00pm to 6.00am Monday 25 to Thursday 28 January and from Monday 1 to Thursday 4 February 2021. The diversion will be the A26 and A259. Local traffic requiring access will be escorted.

Major work to improve traffic flow at the Berwick roundabout will provide space for two lanes of traffic to travel around the roundabout. These changes will improve journey reliability and make the roundabout safer for all road users.

We are sorry for the inevitable inconvenience and disruption these works will cause. Please let us know if you feel we could improve how we are going about this section of the scheme.

A reminder: The site work will stop on Thursday 24 December 2020 and resume on Monday 4 January 2021. Our traffic safety teams will maintain the temporary traffic set up.

Polegate junction

To ensure we are ready for the essential night works between 11 and 21 January, we will be working on Saturday 9 and Sunday 10 January from 8.00am until 6.00pm. **Thank you for bearing with us.**

Charity contributions

Our Macmillan Coffee morning raised £367, the Christmas Jumper Day raised £180 for Save The Children and mens health charity Movember received £220. We are also collecting for Hailsham Food Bank over the two weeks before Christmas.

Save the Children®

Considerate Constructors

This project site is registered with the Considerate Constructors' Scheme.

Communications

This weekly update will be our main method of communicating important information with local residents including notifications of any night works and road closures. Our next bulletin will arrive on Friday 15 January 2021.

If you would like to be added to our distribution list please send an email to a27eastoflewes@highwaysengland.co.uk asking to be added. You can ask to be removed at any time.
