A27 East of Lewes Update

A regular bulletin with news and progress

Friday 3 September 2021

Berwick (Drusillas) Roundabout – Night closures – a reminder

Changing the traffic management layout - The A27 at Drusillas roundabout will be closed overnight from 8.00pm until 6.00am from **Monday 6 to Friday 10 September 2021**. We are changing the traffic management so we can finish building the roundabout. We'll remove the temporary traffic lights on the A27 and Alfriston Road so traffic will flow more freely. Our traffic management will operate as a roundabout. Temporary traffic lights will allow our construction traffic to move across the road. They will be in use during our working hours between 7.30am and 5.30pm from Monday to Friday and between 7.30am and 1.00pm on Saturday. We'll also put in a temporary pedestrian crossing so you can get across the road safely if you're on foot.

Wilmington Junction start – Night works to set up road closure

The environmental licences that we needed to start work are now in place. We will move the safety barrier from Berwick to Wilmington and close Thornwell Road at the A27 junction from Monday 6 September until Friday 29 October. We will work between **8.00pm and 6.00am from Monday 6 September until Friday 10 September** to combine the closure with the one in place for the changes at Berwick. Vehicle access to properties at the southern end will only be from the Arlington direction. Access for walkers, cyclists and horse riders will be maintained. We're sorry for the short notice.

Gainsborough Lane will be open later today. Thank you for your patience.

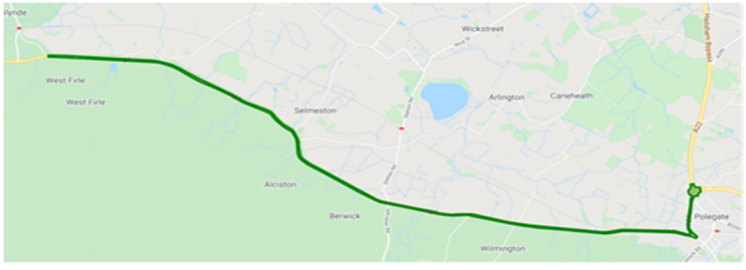

Noisy night work near Gainsborough Lane

We will finish laying a new kerb line between Gainsborough Lane towards Folkington next week. Using traffic lights, we're working week nights from **Monday 6 September until Friday 11 September (8.00pm until 6.00am).**

We value your feedback

Visit our A27 East of Lewes interactive feed back tool to have your say. The tool includes an interactive map. You can click on a location to make a specific comment, or give us your general feedback. This is a one-way feedback tool so if you would like a response to your feedback please email the project team at: A27EastofLewes@highwaysengland.co.uk
