

POTENTIAL SCAM CALLERS

If you receive a call from the 'police'
here is some advice from Sussex
Police:

- Take the details of the person calling you.
- Advise that you will call back by phoning 999 to verify that you are in fact talking to the police.
- Wait 5 minutes, or use a different phone to call 999. Fraudsters are able to keep the line open, so that when you dial 999, the call goes back to them instead.

Please share this with information with
friends and family.

Anyone can be a victim to fraud.

!REMEMBER!

The police will **NEVER**
ask for your bank details.
